**TPC MICHIGAN OFFERS GOLFERS UNIQUE SIGN AND GOLF MEMBERSHIP
LEASE OPPORTUNITY**

Dearborn, Mich. – TPC Michigan is taking a new approach to private club membership with a select offering of the “Sign and Golf” lease membership. The program offers golfers looking to entertain clients, friends and family on one of Michigan’s premier golf courses the opportunity to join the club. With the value of lease option, golfers can enjoy the best golf without concern of a possible relocation.

“People are mobile today and may not be in Dearborn for twenty years like they have been in the past,” stated Lee Woodruff, general manager and director of golf at TPC Michigan. “We felt that offering a Membership Lease would be attractive to individuals that would like to join a private club, but might not be in this area permanently,” stated Woodruff.

Pricing for the Lease offering varies depending on the term of the lease including down and monthly payments. The program gives access to TPC Michigan with the ability to bring and send guests to the club, practice on a state-of-art practice facility and dine in the clubhouse.

TPC Michigan opened in 1990 and features an 18-hole championship golf course designed by Jack Nicklaus. TPC Michigan played host to the Senior Players Championship for 16 years and was the first course in the state to be awarded the John J. Audubon Award for environmental stewardship displaying a true commitment to the habitat and wildlife in a major urban setting.

TPC Michigan is located at One Nicklaus Drive, Dearborn, Michigan 48120. For more information, please visit www.tpcmichigan.com or call (313) 436-3000.
